

Prayer for the First Day of School

Great and wonderful God, we praise you for the start of a new school year. We thank you for the excitement of the first day, for the new friends we will make, and for the opportunity to learn. We thank you for our new school supplies, the fun we will have, and all the knowledge we will gain. Please bless our teachers, our classmates, and each of us. Help us to bring happiness to others as we go about our school day and to return home at the end of the day with grateful hearts. Amen.
