

**LIFE stands for
Living Inspired Faith Everywhere.**

LIFE Take A-Ways

- Deeper Faith
- Insights
- Friendships
- Inspiration
- Stronger connection with your parish

Life programs start on:

Sundays4:45 pm

Wednesdays5:45 pm

New this year:
Children's Breakouts only
at Sunday LIFE

Having more children come together will enable more creative & fun learning activities to happen. Our catechists will also be able to combine their talents & energies. We look forward to awesome breakouts for our children at the Sunday LIFE events!

A side benefit is that the Wednesday session will be more compact. The content of the adult breakout on Wednesday will remain the same as on Sunday.
