*Father
Kent's
Perspective*

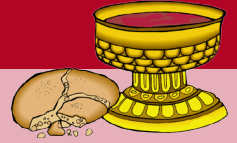

I want to celebrate the Middle School Lock-in last Friday night. About 140 middle school kids were here and had a great experience where faith was mixed in with lots of fun. The middle school kids were great. I want to thank all the high school and college aged kids that helped out and the adults who provided the necessary supervision. I especially want to thank Michelle Wagle, our MS Youth Minister who did such a great job organizing the event and all the volunteers and youth.

Our High School Youth and leaders have begun planning to install a sand volleyball court on our property in the area north of the rectory. We currently are not using that area for anything other than growing weeds. I think this will be a great addition since we do not have a gym available for physical activities. There will be some cost for the sand and other miscellaneous supplies. We will be putting some items up on the GO board in the coming weeks. We are hoping to do this with volunteer labor and machinery. If you can help in any way, contact magen@svdpks.org or call the office.

Our parish loan is now under \$200,000 after the May payment. This loan was taken out during the construction of the Ville and would have been paid off, except for the need to delay payments to replace the roof of the Church. The loan is scheduled to be paid off in October of 2015.

MARRIAGES

Congratulations! Diocesan policy states that you contact Father Kent at least 4 months in advance so marriage preparations can be scheduled.

Please remember to remove all valuables from your car in our parking lot, both on Sunday and other days. Once again, we had a car broken into a couple of weeks ago.

*“Stewardship
 Opens the Door of Faith to a Lifelong Journey”*

In the Eucharist we partake of the Body and Blood of our Lord, Jesus. Paul recounts the Last Supper where Jesus offered his body to us in the breaking of the bread. In serving the needs of these followers, Jesus multiplied the loaves and fishes with his blessing. These signs give us a glimpse of the glory of God and his infinite love for us.

 **A special thanks** to Deb James, Kathy Smith, Peggy Collins, Misty Gahagan & Cindy Strotkamp for volunteering each week to keep the flowers in the worship space looking fresh since Easter. Without these “garden angels” we would not have been able to continue to enjoy their beauty. If you have a few hours to spare this summer and would like to help maintain our gardens around the church, please contact Michele in the parish office or email michele@svdpks.org

Don’t forget to use your **Dillon’s Reward Card**. Year to date, we have earned \$5,704.18, which is far short of our goal. St Vincent receives 5% income from all purchases. If you need a new card, or have questions, please call Michele in the parish office.

Special recognition is due to the dedicated teachers and staff who year after year strive to provide a quality education for all the students.
