LIFE

There are three words with the potential to change the course of human events. In fact, they already have!

But they are some of the hardest words in the world to say & mean sincerely.

What are the three words that change lives?

“I Forgive You.”

Come to our March LIFE event to learn more. You can reserve your place under the LIFE banner or on the parish web site.

Small Groups

This is our last weekend to sign up to join a small group. And there is a brand new group that's been added this week. We now have a Beginner Horseback Riding Group. Members will receive 6 free lessons. So be sure to check it out! We also have faith building groups, including groups that will discuss the book, “Resisting Happiness.” We have self-help groups, common interest groups, & groups focused on service & community. There is something for everyone! Sign up in the gathering space after Mass.
