Lenten Material available in the Gathering Space

Our St. Vincent de Paul society is offering an opportunity to “CHANGE a LIFE during Lent”. It is easy, anyone who wishes to participate just needs to save their spare change. The CHANGE will be collected after Lent and the monies used to help those in need. EVERYONE—is invited to participate. Next weekend a limited number of piggy banks will be available for use in the Gathering Space.

We are going to have a marriage enrichment series to provide couples with proven tools and expert insight from the Gottman Institute on what actually makes relationships work. It starts on Thursday Feb. 22nd from 7 – 8:30 pm in the Youth Room. Cost is \$100 per couple. See the flyer in the hallway for more details on classes and registration.

Our youth group will be in the Gathering Space taking orders for bierocks. The sale will help fund the Mission Trip this summer.

Stop by the round table in the Gathering Space and decorate, personalize, and sign a valentine for the children/staff at St. Augustine Indian Mission
