Pastor's Perspectives

Shelby Wasinger will be our new **Youth Minister** at St. Vincent's beginning in June. Shelby is a graduate from WSU and has been a long-time member of our parish since she grew up here. Shelby also has been involved as a volunteer with both the middle and high school youth groups over the past several years. She will be able to bring that experience with the youth groups along with her energy to head up our ministry to the youth in middle school and high school.

Youth Ministry however is not the job of one person in our parish. It is a ministry of the whole parish and I hope Shelby will have many volunteers at her side to help with its different aspects. My hope is for us to have a great Youth Ministry supported and enriched by many people in the parish and not simply a great Youth Minister. So please welcome and support Shelby, not only with words, but also with your hands and feet. Putting love into action is what Jesus tells us in our Gospel this week.

Chris Dean will take over as Technology Coordinator for Carl Maniaci when he retires in August. Chris currently is the accompanist for many of our choirs and directs the Bell Choir. So he will be bringing us his musical gifts which fit in with his responsibilities maintaining all the sound and video equipment, training and scheduling sound ministers as well as keeping our computer network going. Fortunately, Chris also spent a number of years at Best Buy as part of the geek squad. The final part of the technology position is supporting our publications and electronic advertising on the *Cont. page 2*

street sign, in the Gathering Space and even on our website. Once again, please welcome and support Chris as he becomes part of our parish staff.

Our weekly report of giving in the bulletin is changing. We now are separating out the tithe we receive from weekly envelopes from the giving we receive electronically through our website. We hope this reporting change will help people see why the collection numbers go up and down from week to week since we receive electronic giving just twice a month rather than weekly.

Stewardship – “Who Are You Following?” Jesus calls his disciples his “friends” and commands them to love one other as he has loved them. We are called to be stewards of this friendship; to love one another as Jesus loves us. Do we give serious attention to what this love requires of us? We know stewardship is more than just chores that need to be accomplished in the parish or at home, such as cleaning the church, mowing the grass, or ushering at Mass; while these jobs need to be done, stewardship is more about relationships and how we treat others. All of these “duties” or “responsibilities” can often feel like chores that have to be done, but when we ap-

Time to start thinking about summer!

Vacations, warm weather, no school! That means it's time for the Summer Lunch Program. Summer Lunch targets food insecurities of children during the summer months when many don't have access to a regular noontime meal.
