Pastor's Perspectives

An **Active Shooter Training session** will be held here at St. Vincent's this Monday, April 16th at 7 p.m. in the Ville. We are encouraging ushers to attend and all interested parishioners are invited. The training will be offered by Chris McAuliffe, a parishioner and Wichita police officer, who has done this training many times before. He will teach people how to react to an active shooter situation whether that is here at St. Vincent's or elsewhere.

It is extremely unlikely that we will have an active shooter situation here at St. Vincent's. We must not give into unreasonable fear and let it steal our sense of hospitality. Therefore, I do not want to turn the building into an armed camp or have security at every door. However, it is good to have an awareness of how to respond. Everyone should be aware of where the exits are in the unlikely event of a fire or another emergency. So come and find out on April 16th. Childcare available.

Good Wine ministry for our senior parishioners is this Thursday at 11 a.m. I will be talking about Pope Francis' new Apostolic Exhortation on "The Call to Holiness in Today's World." Two initial thoughts: first I am sure Pope Francis' advice will be practical; secondly, it is only 40 pages long, which is rather amazing for a pope to keep this type of a teaching document that short.

We received our first **FaithDirect online giving** payment for the first part of the month. The total was about \$18,000.00. It takes about a week for us to receive the funds because of processing time. This

amount is significantly more than we received before at the first of the month because it includes both the ACH direct transfers and credit card gifts. Because we receive the transfers twice a month rather than weekly, expect to see a big variation in the amount of the collection from week to week. This week's total does not include this transfer since it came in too late. However, it will be included in next week's collection so we can expect a big increase compared to this week. We also have noticed a big decrease in credit card fees as more people are using ACH transfers online, which do not have any fees. Call the office or go online if you are interested in automating your giving. Finally, thank you for your generosity no matter how you are giving.

Congratulations to all our First Communicants this weekend. May we all be reminded of how the Eucharist is a special way Christ enters our bodies and our hearts. May we be transformed to become more like Christ in our lives.

for individuals, but throughout the world and its history. The terrible power of sin has now been reversed and our coming to perfection through the love of God is part of the Easter experience. As stewards of God's love we are called to participate in Christ's redemptive activity. The stewardship questions for us are many: How do we resist injustice at home or in the workplace? How do we confront violence in our language and attitudes? How do we bring Christ to others?

HOST FAMILIES

are needed for high school exchange students for the 2018-2019 school year. The students will arrive from Europe, Asia, and South America in mid-August 2018 and will stay with their host family for one semester or until the end of the school year. They need caring American families (with or without children) to provide a home and share with them this unique experience. The host family provides a bed, meals, friendship, understanding, and a genuine desire to share the American way of life with a student from overseas. The students speak English, are covered by medical insurance, and have spending money for their personal expenses. Approved families can view online student applications and select the student that best matches their own family. For more information, please call Wilma Fast at 316-681-1236.

We are excited to share that the 130th Gala - **a celebration of the 130th anniversary of Kapaun Mt. Carmel Catholic High School** and its predecessor schools - will be held on Saturday, April 28. This once in a lifetime event celebrates the culmination of our year-long recognition of the 130th anniversary of our incredible school, its legacy and a tradition of excellence in education. Funds raised will be designated for instructional support within the school and campus improvements, "Paving the way for the next 130 years." The entire KMC community is invited to help make this evening a truly magical night. Tickets are still available at www.Kapaun.org, or contact Cheney Sloan, Director of Advancement, at 316-636-9612 or csloan@kapaun.org.

Parents of children or adults with a disability are invited to an informational night Monday, April 16, in the St. Joseph Pastoral Center, 437 N. Topeka, in Wichita. The event features seven speakers who will make presentations from 6:30 to 9 p.m. Topics to be discussed include guardianship of a child, planning for a child with special needs, family grieving, and navigating community developmental disability organizations. Child care will be available for a limited number of children. Call 316-269-3919 to make a child care reservation. Spanish interpreters and listening systems will be available to translate in real time.
