2nd Sunday of Lent

Dear Parishioners,

We have begun our Lenten journey through the desert. We do so through prayer, fasting, and almsgiving. Using Pope Francis's Lenten message, I will highlight three points from his message as they relate to the scripture each Sunday. These three points are:

1. When God reveals himself, His message is always one of freedom.
2. The call to freedom is a demanding one. Not answered straight away. It has to mature as part of the journey.
3. The exodus from slavery to freedom is not an abstract journey.

Our Holy Father's Lenten message can be found here:

I hope you are able to come to a daily Mass and our Stations of the Cross during Lent. These are two great ways of walking with the Lord to Calvary!

"Lenten practices of giving up pleasures are a good reminder that the purpose of life is not pleasure. The purpose of life is to attain a perfect life, all truth and undying ecstatic love—which is the definition of God. In pursuing that happiness, we find happiness."

VAGABOND MISSIONS
Breaking the Cycle of Hopelessness

Vagabond Missions Wichita is a Catholic missionary group that aims to be the hands and feet of Christ to our local inner-city teens by providing them fun and safe ways to experience the Gospel. Our missionary teams provide weekly programming and other special events to bring the love of Christ to our local community throughout the year.

You don't need to go to a foreign country to take part in an amazing missionary experience. And our missionaries here in Wichita could really use your help! Vagabond Missions Wichita is currently in need of assistance with meal donations, volunteers for program nights, and even people who would consider becoming full time missionaries themselves! If you would be interested in learning about these and other opportunities, please contact addie@vagabondmissions.com.
